Explanatory Notes to the Notice of Annual General Meeting 2012

Resolution 1- REMUNERATION REPORT

The Remuneration Report for the year ended 30 June 2012 is as set out in the Directors' Report included in the 2012 Annual Report which is available on Superior Resources Limited website: www.superiorresources.com.au.

The purpose of Resolution 1 is to lay before the Shareholders the Company's Remuneration Report so that Shareholders may ask questions about or make comments on the management of the Company in accordance with the requirements of the Corporations Act 2001 and vote on whether to adopt the Remuneration Report for the year ended 30 June 2012.

Pursuant to the Corporations Act 2001 the Annual General Meeting of a listed company must propose a resolution that the Remuneration Report, contained within the Annual Report, be adopted.

The resolution is advisory only and does not bind the Company or its directors. The Board will consider the outcome of the vote and comments made by shareholders on the Remuneration Report at the meeting when reviewing the Company's remuneration policies.

From 1 July 2011 the legislation has been amended in relation to voting on the Remuneration Report under section 250R(2) of the Corporations Act 2011. If 25% or more of votes that are cast are voted against the adoption of the Remuneration report at two consecutive AGMs, shareholders will be required to vote at the second AGMs on a resolution (a "spill resolution") that another meeting be held within 90 days at which all of the Company's directors (other than the Managing Director and CEO) must go up for re-election. Shareholders are encouraged to cast their votes on item 1 (Remuneration Report).

In accordance with section 250R of the Corporations Act, a vote on this resolution must not be cast by, or on behalf of, a member of the Key Management Personnel whose remuneration details are included in the Remuneration Report, or a Closely Related Party of such member. However, a vote may be cast by such person if:

- the person is acting as proxy and the proxy form specifies how the proxy is to vote, and the vote is not cast on behalf of a person who is otherwise excluded from voting on this Resolution as described above; or
- the person is the Chair voting an undirected proxy which expressly authorises the Chair to vote the proxy on a resolution connected with the remuneration of a member of the Key Management Personnel.

Resolution 2 - RE- ELECTION OF DIRECTOR Mr David Horton

Mr. Horton has been a director of the Company since incorporation. He retires by rotation in accordance with the Constitution of the Company, but being eligible, offers himself for re-election. Details of Mr. Horton's experience and qualifications are set out in the section "Information on Directors" within the Annual Report.

Mr Horton is a geologist with 39 years' experience in mineral exploration, project and prospect generation, management and resource evaluation. His previous background includes tenure as Exploration Manager of Queensland Metals Corporation Limited, Chief Geologist of A.R.I. Limited, Regional Geologist with North Limited and Senior Geologist with the Queensland Department of Mines and Energy. For most of his career, he has been a consultant to over 70 multi-national and national resource companies as well as a consultant on several occasions to the Queensland Government. He is a former member of the Australian Geoscience Council.

The Information on Directors section is contained within the Directors' Report in the 2012 Annual Report. The Directors recommend that the resolution be passed.

Please note that you may obtain a copy of the 2012 Annual Report from the Company's website www.superiorresources.com.au.

Resolution 3 - RATIFICATION OF SHARE ISSUE TO Copper Strike Ltd ACN 125 242 284

(a) Purpose of Resolution

Resolution 3 is sought to approve the prior issue of 1,000,000 shares so that the Company retains capacity to issue up to a full 15% of its issued capital, if required, in the next 12 months without shareholder approval.

On 17 August 2012 the Company announced it had carried out a placement of 1,000,000 new ordinary shares. The issue was consideration for the acquisition of exploration rights by the company in accordance with the agreement as announced to the ASX on 19 April 2012.

(b) Overview of regulatory approval requirements

The Directors are restricted by ASX Listing Rule 7.1 from issuing new equity securities in the Company which would dilute the interests of existing Shareholders, to a maximum of 15% of the issued ordinary shares of the Company in any 12 month period (15% limit) without Shareholder approval.

ASX Listing Rule 7.4 allows Directors to seek approval of the Shareholders to an issue of securities after the issue has been made without approval under ASX Listing Rule 7.1, provided the issue did not breach ASX Listing Rule 7.1. The issue of Shares described in Resolution 3 was made without Shareholder approval as the issue did not exceed the 15% limit. The Directors now seek Shareholder approval of the issue pursuant to ASX Listing Rule 7.4.

(c) Specific information

ASX Listing Rule 7.5 requires certain information to accompany a Notice of General Meeting in relation to approval sought under Listing Rule 7.4. This information is set out below:

(d) Directors' recommendations and interests

The Directors of the Company recommend that Shareholders vote in favour of Resolution 3.

Each Director of the Company who is also a Shareholder of the Company is not restricted from voting and, intends to vote in favour of Resolution 3.

The Chairman of the meeting intends to vote undirected proxies in favour of Resolution 3.

Resolution 4 - APPROVAL OF 10% PLACEMENT FACILITY

(a) Purpose of resolution

The purpose of Resolution 4 is to authorise the Directors to issue a further 10% of its issued share capital under ASX Listing Rule 7.1A during the 10% Placement Period in addition to and without using the Company's 15% placement capacity under ASX Listing Rule 7.1.

This effectively gives Directors a 25% placement capacity less that part of its placement capacity not available under ASX Listing Rule 7.1.

(b) General information

ASX Listing Rule 7.1A enables "eligible entities" to issue Equity Securities up to 10% of its issued share capital through placements over a 12 month period after the annual general meeting at which the approval is obtained or refer (c) (vi) below (10% Placement Facility). The 10% Placement Facility is in addition to the Company's 15% placement capacity under ASX Listing Rule 7.1.

An "eligible entity" for the purposes of Listing Rule 7.1A is an entity that is not included in the S&P/ASX 300 Index and has a market capitalisation of \$300 million or less. The Company is an eligible entity.

The Company is seeking shareholder approval by way of a special resolution to have the ability to issue Equity Securities under the 10% Placement Facility.

The exact number of Equity Securities to be issued under the 10% Placement Facility will be determined in accordance with the formula prescribed in Listing Rule 7.1A.2 (refer to Section (c)(iii) below).

As disclosed in the Company's Annual Report, the Company continues actively seeking to acquire new resources assets and other investments and fund exploration expenditure. The Company may use the 10% Placement Facility to acquire new resource assets or investments and fund exploration expenditure.

(c) Description of Listing Rule 7.1A

(i) Shareholder approval

The ability to issue Equity Securities under the 10% Placement Facility is subject to shareholder approval by way of a special resolution at an annual general meeting.

(ii) Equity Securities

Any Equity Securities issued under the 10% Placement Facility must be in the same class as an existing quoted class of Equity Securities of the Company.

The Company, as at the date of the Notice, has on issue one class of Equity Securities, namely ordinary Shares.

(iii) Formula for calculating 10% Placement Facility

ASX Listing Rule 7.1A.2 provides that eligible entities which have obtained shareholder approval at an annual general meeting may issue or agree to issue, during the 12 month period after the date of the annual general meeting, a number of Equity Securities calculated in accordance with the following formula:

$$(A \times D) - E$$

A is the number of shares on issue 12 months before the date of issue or agreement:

- (A) plus the number of fully paid shares issued in the 12 months under an exception in ASX Listing Rule 7.2;
- (B) plus the number of partly paid shares that became fully paid in the 12 months;
- (C) plus the number of fully paid shares issued in the 12 months with approval of holders of shares under Listing Rule 7.1 and 7.4. This does not include an issue of fully paid shares under the entity's 15% placement capacity without shareholder approval;
- (D) less the number of fully paid shares cancelled in the 12 months.

Note that A has the same meaning in ASX Listing Rule 7.1 when calculating an entity's 15% placement capacity.

D is 10%

E is the number of Equity Securities issued or agreed to be issued under Listing Rule 7.1A.2 in the 12 months before the date of the issue or agreement to issue that are not issued with the approval of shareholders under ASX Listing Rule 7.1 or 7.4.

(iv) Listing Rule 7.1 and ASX Listing Rule 7.1A

The ability of an entity to issue Equity Securities under ASX Listing Rule 7.1A is in addition to the entity's 15% placement capacity under ASX Listing Rule 7.1.

At the date of this Notice, the Company has on issue 81,693,688 Shares and therefore has a capacity to issue (assuming shareholders have approved resolution 3):

(A) 12,254,053 ordinary shares (being 15% of 81,693,688) Equity Securities under ASX Listing Rule 7.1; and

(B) 8,169,369 ordinary shares (being 10% of 81,693,688) subject to Shareholder approval being sought under Resolution 4 Equity Securities under Listing Rule 7.1A.

The actual number of Equity Securities that the Company will have capacity to issue under ASX Listing Rule 7.1A will be calculated at the date of issue of the Equity Securities, or the agreement date, in accordance with the formula prescribed in ASX Listing Rule 7.1A.2 (refer to Section (c) (iii) above).

(v) Minimum Issue Price

The issue price of Equity Securities issued under ASX Listing Rule 7.1A must be not less than 75% of The volume weighted average price (VWAP) of Equity Securities in the same class calculated over the 15 Trading Days immediately before:

(A) the date on which the price at which the Equity Securities are to be issued is agreed; or

(B) if the Equity Securities are not issued within 5 Trading Days of the date in paragraph (A) above, the date on which the Equity Securities are issued.

(vi) 10% Placement Period

Shareholder approval of the 10% Placement Facility under ASX Listing Rule 7.1A is valid from the date of the annual general meeting at which the approval is obtained and expires on the earlier to occur of:

(A) the date that is 12 months after the date of the annual general meeting at which the approval is obtained; or

(B) the date of the approval by shareholders of a transaction under ASX Listing Rules 11.1.2 (a significant change to the nature or scale of activities) or 11.2 (disposal of main undertaking), or such longer period if allowed by the ASX (10% Placement Period).

(d) Specific information required by ASX Listing Rule 7.3A

Pursuant to and in accordance with ASX Listing Rule 7.3A, the below information is provided in relation to the approval of the 10% Placement Facility:

(i) The Equity Securities will be issued at an issue price of not less than 75% of the VWAP for the Company's Equity Securities over the 15 Trading Days immediately before:

(A) the date on which the price at which the Equity Securities are to be issued is agreed; or

(B) if the Equity Securities are not issued within 5 Trading Days of the date in paragraph (A) above, the date on which the Equity Securities are issued.

(ii) If Resolution 4 is approved by Shareholders and the Company issues Equity Securities under the 10% Placement Facility, the existing Shareholders' voting power in the Company will be diluted.

There is a risk that:

(A) the market price for the Company's Equity Securities may be significantly lower on the date of the issue of the Equity Securities than on the date of the General Meeting which may have an effect on the amount of funds raised by the issue of the Equity Securities; and

(B) the Equity Securities may be issued at a price that is at a discount to the market price for the Company's Equity Securities on the issue date or the Equity Securities are issued as part of consideration for the acquisition of a new asset, which may have an effect on the amount of funds raised by the issue of the Equity Securities.

The table below shows the dilution of existing shareholders on the basis of the current market price of shares and the current number of ordinary securities for variable "A" calculated in accordance with the formula in Listing Rule 7.1A(2) as at the date of this Notice assuming resolution 3 is approved by shareholders.

The table also shows:

(A) two examples where variable "A" has increased by 50% and 100%. Variable "A" is based on the number of ordinary securities the Company has on issue. The number of ordinary securities on issue may increase as a result of issues of ordinary securities that do not require shareholder approval (for example, pro rata entitlements issue or scrip issued under a takeover offer) or future specific placements under Listing Rule 7.1 that are approved at a future Shareholders' meeting and

(B) two examples where the issue price of ordinary securities has decreased by 50% and increased by 50% as against the current market price.

Variable 'A' In Listing Rule 7.1A.2		Dilution		
		\$0.03 50.00% decrease in Issue Price	\$0.06 Issue Price	\$0.09 50.00% increase in Issue Price
Current Variable A 81,693,688 shares	10% Voting Dilution	8,169,368 shares	8,169,368 shares	8,169,368 shares
	Funds raised	\$245,081	\$490,162	\$735,243
50 % increase in current Variable A 122,540,532 shares	10% Voting Dilution	12,254,053 shares	12,254,053 shares	12,254,053 shares
	Funds raised	\$367,622	\$735,243	\$1,102,865
100% increase in current Variable A 163,387,376 shares	10% Voting Dilution	16,338,737 shares	16,338,737 shares	16,338,737 shares
	Funds raised	\$490,162	\$980,324	\$1,470,486

- Please note that the minimum issue price is defined in paragraph (c) (v) above.

The table has been prepared on the following assumptions:

- The company issues the maximum number of Equity Securities available under the 10% Placement Facility.
- The 10% voting dilution reflects the aggregate percentage dilution against the issued share capital at the time of issue. This is why the voting dilution is shown in each example as 10%.
- The table does not show an example of dilution that may be caused to a particular Shareholder by reason of placements under the 10% Placement Facility, based on that Shareholder's holding at the date of the Meeting.
- The table shows only the effect of issues of Equity Securities under Listing Rule 7.1A not under the 15% placement capacity under Listing Rule 7.1.
- The issue of Equity Securities under the 10% Placement Facility consists only of Shares.
- There are no options issued and therefore no options are exercised before the date of issue of the Equity Securities.
- Resolution 3 is approved.

- The issue price is \$0.06 being the closing price on ASX on 2 October 2012 being the date the Notice was lodged with ASX.

(iii) The Company will only issue and allot the Equity Securities during the 10% Placement Period. The approval under Resolution 4 for the issue of the Equity Securities will cease to be valid in the event that Shareholders approve a transaction under ASX Listing Rule 11.1.2 (a significant change to the nature or scale of activities or Listing Rule 11.2 (disposal of main undertaking)).

(iv) The Company may seek to issue the Equity Securities for the following purposes:

(A) non-cash consideration for the acquisition of the new resources assets and other investments. In such circumstances the Company will provide a valuation of the non-cash consideration as required by Listing Rule 7.1A.3; or

(B) cash consideration. In such circumstances, the Company intends to use the funds raised towards an acquisition of new assets or other investments (including expense associated with such acquisition), continued exploration and feasibility study expenditure on the Company's current assets and/or general working capital.

The Company will comply with the disclosure obligations under ASX Listing Rules 7.1A.4 and 3.10.5A upon issue of any Equity Securities.

The Company's allocation policy is dependent on the prevailing market conditions at the time of any proposed issue pursuant to the 10% Placement Facility. The identity of the allottees of Equity Securities will be determined on a case-by-case basis having regard to the factors including but not limited to the following:

(A) the methods of raising funds that are available to the Company, including but not limited to, rights issue or other issue in which existing security holders can participate;

(B) the effect of the issue of the Equity Securities on the control of the Company;

(C) the financial situation and solvency of the Company; and

(D) advice from corporate, financial and broking advisers (if applicable).

The allottees under the 10% Placement Facility have not been determined as at the date of this Notice but may include existing substantial Shareholders and/or new Shareholders who are not related parties or associates of a related party of the Company.

If the Company is successful in acquiring new resources assets or investments, it may be that the allottees under the 10% Placement Facility will be the vendors of the new resources assets or investments.

(v) The Company has not previously obtained Shareholder approval under ASX Listing Rule 7.1A.

(vi) A voting exclusion statement is included in the Notice. At the date of the Notice, the Company has not approached any particular existing Shareholder or security holder or an identifiable class of existing security holder to participate in the issue of the Equity Securities. No existing Shareholder's votes will therefore be excluded under the voting exclusion in the Notice.

(e) Directors' recommendations and interests

The Directors of the Company believe that Resolution 4 is in the best interests of the Company and unanimously recommend that Shareholders vote in favour of this Resolution.

The Chairman of the meeting intends to vote undirected proxies in favour of Resolution 4.
